What is Complimed GAP?

- Complimed GAP is an insurance product specifically designed to complement PSEMAS (the Government Medical Aid Fund). It covers the difference between what your medical aid fund covers and what the doctors and specialists charge for treatment in Private hospitals, at the Rate Insured.
- Without Complimed GAP, you are personally liable to pay the shortfall between what the doctor/specialist charges and what PSEMAS covers.

Covers the difference between the PSEMAS Option agreed tariffs and the tariffs charged when hospitalised at the rate insured.

PRIVATE HOSPITAL GAP INSURANCE PLAN FOR PSEMAS

The Agreed tariff is 200% based on the Prosperity Benchmark Tariff (PBT)

In-Hospital cover is subject to PSEMAS authorization of cover and payment at PSEMAS tariff and subject to Complimed authorization, protocols and insurance limits.
